

Level 2 Award in Food Safety in catering

Everyone who works with food has a responsibility for safeguarding the health of customers to ensure the food they serve or sell is safe to eat.

Good food hygiene training helps you to:

- > meet legal requirements
- > reduce the risk of food poisoning among customers
- > protect your business's reputation

The Level 2 Course covers;

- > food safety law, food safety hazards and controls
- > personal hygiene, safe food storage and cleaning
- > standards for premises and equipment

One-day programme
